Citizen Complaint

Code of Conduct violation

9/7/2018 2018-00130 Ferguson complained that dispatch refused to send officers to DMV as he was not being served as he thought he should and it was explained this was a civil matter. Later DMV called to have Ferguson removed and officers responded and had to remove him and later served him with a trespass notice. He claimed this was discriminatory as well as the officers were rude to him.

9/5/2018 2018-00126 An email received:
Hello,
I'd like to take a moment and recognize Officer Chris Wood. He testified for me last week in a court trial re juvenile Lileeann Bentler, GJPD 18-19514.
It's obvious that Chris is an experienced officer. His experience was key to de-escalating this juvenile who could have assaulted more people this past April 6. Chris quickly recognized that a calm, but direct approach with this young lady would be most effective. His efforts likely resulted in the scene clearing very smoothly without more people - including the juvenile - being injured.
At trial, the facts summarized in his well written report and thorough investigation were easily presented to the Court. Chris answered all question on direct very concisely and he was equally as effective and objective on cross examination.
You've got a great officer in Chris!

9/25/2018 2018-00131 Ofc. Was dispatched to 246 Belford to contact Debra Bartow reference pictures of her injuries for a case. Debra advised that Ofc. was the most wonderful person, he made her feel extremely comfortable, and answered any questions she may have about the upcoming court process. Debra stated that she has a tendency to ramble and Ofc. was so polite and listened to everything she had to say. Debra finished the conversation saying that Ofc. was an angel and she was so thankful for his response.

Summary (crime scenes activity, court appearances, complex cases, use of resources, problems or unusual events):

Last month, we concluded a multi-year project eliminating a back-log of latent print cards that were several decades old. This month, we start in on the undeveloped film from that same time frame. Thousands of rolls of film that have never been developed or looked at. Volunteers are being used for the work.
