Fences exceeding six feet in height require a separate permit from the City/County Building Department. A fence constructed on a corner lot that extends past the rear of the house along the side yard or abuts an alley requires approval from the City Engineer (Section 1.1.J of the Grand Junction Zoning and Development Code).
The owner/applicant must correctly identify all property lines, easements, and rights-of-way and ensure the fence is located within the property's boundaries. Covenants, conditions, restrictions, easements and/or rights-of-way may restrict or prohibit the placement of ence(s). The owner/applicant is responsible for compliance with covenants, conditions, and restrictions which may apply. Fences built neasements may be subject to removal at the property owner's sole and absolute expense. Any modification of design and/or mateial as approved in this fence permit must be approved, in writing, by the Public Works & Planning Department Director.
hereby acknowledge that I have read this application and the information and plot plan are correct; I agree to comply with any and all codes, ordinances, laws, regulations, or restrictions which apply. I understand that failure to comply shall result in legal action, which nay include but not necessarily be limited to removal of the fence(s) at the owner's cost.
