Side from PL Rear from PL
ences exceeding six feet in height require a separate permit from the City/County Building Department. A fence constructed on a cor- er lot that extends past the rear of the house along the side yard or abuts an alley requires approval from the City Engineer (Section .1.J of the Grand Junction Zoning and Development Code).
er lot that extends past the rear of the house along the side yard or abuts an alley requires approval from the City Engineer (Section
er lot that extends past the rear of the house along the side yard or abuts an alley requires approval from the City Engineer (Section .1.J of the Grand Junction Zoning and Development Code).  the owner/applicant must correctly identify all property lines, easements, and rights-of-way and ensure the fence is located within the roperty's boundaries. Covenants, conditions, restrictions, easements and/or rights-of-way may restrict or prohibit the placement of ence(s). The owner/applicant is responsible for compliance with covenants, conditions, and restrictions which may apply. Fences built a easements may be subject to removal at the property owner's sole and absolute expense. Any modification of design and/or material as approved in this fence permit must be approved, in writing, by the Public Works & Planning Department Director.  Thereby acknowledge that I have read this application and the information and plot plan are correct; I agree to comply with any and all odes, ordinances, laws, regulations, or restrictions which apply. I understand that failure to comply shall result in legal action, which have include but not necessarily be limited to removal of the fence(s) at the owner's cost.
