Also present was Michele Rohrbach.

Approval of Minutes – Biz/Keith. Motion passed.

Announcements – Julie to attend RFC 7/17 meeting. Unable to attend so she will email Michele comments.

Old Business –

Bike to Work – Julie felt it was successful. Colorado Mesa University (CMU) students started at various points in the valley and picked folks up as they road in to downtown. County Health Department had 40 employees all rode in together. Jennifer said there were 160 (40 out at Horizon and 120 downtown). Would like to expand next year.

Share the Road Task Force – Julie said they have had some problems with people falling off the committee. Discussed possibly posting share the roads. Group only has \$5,000.

Bicycle Summit – Talked about calling Regional Trails, Biking and Walking Summit. Discussed fee of \$15 and \$20 for day of registration. Two Rivers had February 8th available so Michele tentative had Donna Redd at Two Rivers hold the space. Group will be meeting again on July 26th at 10:00am at Main Streets Bagels in their big conference room. Four main areas – recreation, transportation choice, health and economic benefit. Also want to have a breakout on the UTC Master Trail Plan. Julie wants to have a user map available similar to what was passed out at the Glenwood Summit. Will advertise event. Jim Spehar was discussed as MC. Want to create a lot of excitement for the event and the UTC Master Plan. Think about possible speakers and potential breakouts.

Grand Valley Bikes – Kathy Portner with City of Grand Junction said that the transportation bill signed today did not include enhancements – meaning no more Safe Routes for School money.

Riverfront – Next concert is Thursday night. Interviews for new RFC members tomorrow night.

There was no further old business.

New Business –

Public Comment – There was no public present.

Adjournment: Meeting adjourned at 6:30pm.
