Dr. James said the April 21 Riverfront meeting report which was sent out was a draft - he handed out a finished copy.

Seconded by Frank Dunn.

Approved: Yes 6 No 0

Item 3

RIVERFRONT COMMISSION REPORT - DR. JAMES

Dr. James went over the April 21 and May 19 Riverfront meeting reports. Dr. James said a lot of concerns/problems keep surfacing, and they are looking to us for answers.

The reports are attached.

Item 4

PARKS MASTER PLAN UPDATE - KEITH MUMBY, TED NOVACK

Ted told the Board a survey was published in the Daily Sentinel on May 17. An incentive of an admission to Lincoln Park-Moyer Pool, Waterslide, or Orchard Mesa Community Center Pool, was offered to people who fill out and return the survey.

Ted said we copied the survey and put it at the golf courses, pools, office and Older American Center.

Karen Madsen said she is concerned we will receive a biased opinion from surveys filled out at specific locations. The Board agreed with her. Ted told the Board we color coded those surveys, and will know where they came from.

A longer survey was randomly mailed to 600 people, and to the potentially affected interest groups.

Ted told the Board it is very important we use the survey as an additional tool and not focus specifically on the survey.

Item 5

SELF HELP REQUEST, SAND VOLLEYBALL COURTS

Phil Pe'a who represents local doubles and triples volleyball players made a presentation to the Board requesting Self-Help Funds for new sand volleyball courts in Columbine Park.

Phil told the Board we do not have any sand volleyball courts in town that can be used. The courts at West Middle School have rough sand in them, and there is no access to water.

The courts they proposed would be in the south east corner of Columbine and would be 80 feet by 84 feet.

Keith Mumby asked Don if the location was good. Don told Keith it was a great location. It will not interfere with softball or soccer.

Phil told the Board that Whitewater Sand and Gravel will give them a discount on the sand. Ted Ciavonne will design the court, and Phil has 50 people to help with the project. Club Sportswear will donate the nets.

Ted said we will talk to Design Workshop about the project.

Bob Manfred asked Don where the water table is. Don said it is low and won't be a problem.

Frank Dunn asked what will happen if Phil's group is playing volleyball and other people show up to play. Phil said they will have rules set up, and usually the winner stays on the court and others rotate in.

The amount needed from the C.I.P. Self Help Fund is approximately \$5,511.00.

A motion was made by Dr. James to approve the C.I.P. Self Help Project - sand volleyball courts at Columbine Park.

Seconded by Kathy Hall.

Approved: Yes 6 No 0

Item 6

OLDER AMERICAN CENTER UPDATE, LYNDA LOVERN

Lynda Lovern told the Board the contractor bid opening for the addition and ADA modifications, may be changed from May 26 to May 27 because of Memorial Day Weekend.

The facility will be closed 2-3 weeks during construction.

Item 7

PROPOSED STREET STANDARDS, DON HOBBS

Don told the Board that City Engineering is working on street standards for new subdivisions in the City. When they first started they designed an easement between the sidewalk and house for utilities, and didn't have space for street trees. They have redesigned to a multi-purpose 14 feet easement with 4 feet designated for street trees.

Item 8

KEXO "HOMETOWN HERO" FOR MAY - RAY COCA

Ray Coca received the "Hometown Hero" award for the month of May. Congratulations Ray!

NO SMOKING ORDINANCE AT STOCKER STADIUM

Ted told the Board he will be at the City Council meeting tonight because they will be talking about changing the no smoking ordinance at Stocker Stadium.

The Board asked Ted to relay to City Council that they feel strongly against changing the ordinance. Ted said he would let them know.

Meeting was adjourned at 1:37 p.m.

Respectfully submitted,

Keri Bailey  
Parks and Recreation Board Secretary
