To Whom It May Concern:

The real estate described in the attached Exhibit A is subject to easements for the existing City of Grand Junction water pipeline ("Kannah Creek Flowline") which conveys water from Kannah Creek to the City Treatment Plant on Reservoir Hill.

The easements grant the City the free right to construct, operate and maintain the pipeline. Present and future owners of the real estate hereinafter described are to be cautioned that no improvements should be constructed in any manner or location which might preclude free and easy access to the pipeline by maintenance crews. In addition, any fences or other barriers installed around the perimeter of said real estate should be placed in such a manner to afford maintenance crews immediate access to the pipeline for repairs and maintenance.

Improvements situated over the pipeline or easement are subject to removal by maintenance crews. Furthermore, by virtue of the rights granted in the easements, the City of Grand Junction, its officers, employees and agents shall under no circumstance be liable for any expense incurred in the removal or replacement of improvements that may be damaged, removed or destroyed as a result of repair and maintenance activities associated with the pipeline.

Any questions regarding this Notice should be directed to the City of Grand Junction Utilities Department at the address above or by calling (303) 244-1564.
