MAX. COVERAGE OF LOT BY STRUCTURES <u>FAR 20. Conditional Grant of Easement Pg 1-5</u>	<u>Bk 3975</u>

Modifications to this Planning Clearance must be approved, in writing, by the Community Development Department Director. The structure authorized by this application cannot be occupied until a final inspection has been completed and a Certificate of Occupancy has been issued by the Building Department (Section 307, Uniform Building Code). Required improvements in the public right-of-way must be guaranteed prior to issuance of a Planning Clearance. All other required site improvements must be completed or guaranteed prior to issuance of a Certificate of Occupancy. Any landscaping required by this permit shall be maintained in an acceptable and healthy condition. The replacement of any vegetation materials that die or are in an unhealthy condition is required by the Grand Junction Zoning and Development Code.

Four (4) sets of final construction drawings must be submitted and stamped by City Engineering prior to issuing the Planning Clearance. One stamped set must be available on the job site at all times.

I hereby acknowledge that I have read this application and the information is correct; I agree to comply with any and all codes, ordinances, laws, regulations, or restrictions which apply to the project. I understand that failure to comply shall result in legal action, which may include but not necessarily be limited to non-use of the building(s).

Subject: RE: Premises II

3/06/06

Based on information submitted to this office, the Premises II facility, located at 702 23.1 Road, will have no pretreatment requirements at this time. When completed, the facility will host four separate businesses (or tenants).

Industrial Pretreatment will follow-up and identify these future tenants and determine at that time if there will be any pretreatment requirements. Should you have questions or comments, please contact Mike Shea or myself at (970) 256-4180.
