City Council of Grand Junction -  
Gentlemen -

Having lived in this one spot for the past 58 years, it seems like a place that deserves a name of its own.

Since there are two streets with Gunnison for a name. I wish to suggest that you change the name of the short lane from top of Fifth St. hill, next to the Gunnison river, to

Clymer Lane. Since I am the grandmother of the Clymer Tribe, I should feel greatly honored.

Most sincerely

Re: Street name change for Gunnison Boulevard

Dear Mrs. Clymer:

Your letter to the Grand Junction City Council requesting a name change from Gunnison Boulevard to Clymer Lane has been forwarded to me for processing. All street name changes have to be approved by the Planning Commission as well as the City Council - so your request has been placed on the Planning Commission agenda for August 29, 1978. You will receive an agenda in the mail as soon as they are prepared.

We would ask that your request be altered to Clymer "Way" instead of "Lane". This would fit with the street naming system presently being used.

If you have any questions please contact us at your convenience.

Sincerely,

  
Karl G. Metzner  
Planner I
