File 38-88 (2 of 2)

This file contains only the display maps used and described as "Exhibits 1 through 6" for the City Council public hearing, January 4, 1989, on the proposed rezone, preliminary plat and preliminary plan for Northridge Filings #4 and 5.

These exhibits are a portion of the official Preliminary Development Plan and Plat which was approved along with the rezone/density change for Filing #4 from PR-4 to PR-12.9.

As official exhibits, these documents are <u>not</u> to be removed from the possession of the City Planning Department. Similar maps are included in file \$38-88\$ (1 of 2) and may be used for copying or other purposes.

The six exhibits are identified as follows:

- 1) Site plan of Filings 4 & 5 showing the boundaries of the two zoning densities.
- 2) Colored site plan of the "retirement" area of Filing #4.
- 3) Sketch plan from the original Outline Development Plan (ODP) for Filing #4.
- 4) The "W" shaped retirement residence as proposed earlier and denied by Planning Commission on 11/22/88.
- 5) Colored rendering of the building elevations.
- 6) Colored floor plans for the 105 unit retirement structure.

File 38-88

Motion for approval at the City Council hearing on January 4, 1989, made by Councilman Nelson:

Motion for approval of rezone #38-88 conditioned on:

- A) Establishment of single-family deed restrictions as agreed by petitioner;
- B) Establishment of mutual restrictive covenants by developer and Northridge.

Reasons given for the motion to approve were as follows:

- 1) There has been a change in the neighborhood. There are new growth trends.
- 2) Belief that the proposal is not commercial but is residential due to the fact that the zoning is remaining planned residential.
 - 3) Belief that there is a community need for the facility.
- 4) Belief that the proposal is compatible with the existing neighborhood.

The motion to approve was passed by a vote of 4-2.
