e	a	retrieval system. In some instances, items are found on the list but are not present in the scanned electronic development file because they are already scanned elsewhere on the system. These scanned documents are denoted with (**) and will				
S	n n	be found on the ISYS query system in their designated categories.				
e n	e	Documents specific to certain files, not found in the standard checklist materials, are listed at the bottom of the page.				
t	d	Remaining items, (not selected for scanning), will be listed and marked present. This index can serve as a quick guide for				
	the contents of each file.
