### PROJECT NARRATIVE

Proposal: Rezone parcel #2945-122-20 from RMF-64 to B-1

Proposal Location: 1212 Bookcliff Avenue (Corner of 12th & Bookcliff)

### Discussion:

The 1212 Bookcliff Medical Building was built in 1979 under a conditional use permit in an area which was zoned as residential multi-family (RMF-64). In 1981 the City Code was changed so that offices are no longer allowed as a conditional use in RMF-64. The existing building is a legal nonconforming use.

According to Article 12 (Use and Occupancy) of the Condominium Declaration for the 1212 Bookcliff Medical Building, the units have been and shall be used only as doctors offices and other commercial activities (such as pharmacies, optical shops, and laboratories) normally and usually associated with and beneficial to primary usage as doctors offices.

The unit owners request that the parcel be rezoned, B-l, in order to make the zoning consistent with the existing use and to allow the owners to obtain a permit to install a free-standing sign adjacent to 12th Street. This sign will allow patients to more easily and safely identify the building while driving along 12th Street.

The 12th Street corridor has grown over the past 14 years since this building was constructed and many businesses have relocated in this area. Approximately one block south, a new office building is under construction to house medical offices. Also to the south on the west side of 12th, Community Hospital has purchased property for possible future expansion.

The proposed rezone is in conformance with the 12th Street corridor guidelines and is compatible with the surrounding area.

This project was approved and built under a conditional use for office in a RMF-64 Zone under previous City codes. All structures, landscaping, parking and other site improvements are existing. Rezoning this property would remove its non-conforming use status. The use is in compliance with the 12th Street corridor guidelines.

Recommend a Planned Business Zone instead of B-1. Recommend proposed additional sign be approved as part of the plan.
