In some instances, items are found on the list but are not present in the scanned electronic development file because they are already scanned elsewhere on the system. These scanned documents are denoted with (**) and will be found on the ISYS query system in their designated categories. Documents specific to certain files, not found in the standard checklist materials, are listed at the bottom of the page. Remaining items, (not selected for scanning), will be listed and marked present. This index can serve as a quick guide for the contents of each file. |

REQUEST: Revocable Permit for Landscaping LOCATION: 865 North Avenue

APPLICANT: Ray Meacham

EXISTING LAND USE: Commercial - Vacant

PROPOSED LAND USE: Commercial - Furniture Store

SURROUNDING LAND USE: NORTH: Commercial SOUTH: Multifamily Residential EAST: Commercial WEST: Vacant

EXECUTIVE SUMMARY: Resolution authorizing the issuance of a Revocable Permit to allow the installation of landscape improvements in the public right-of-way for Belford Avenue adjacent to the property at 865 North Avenue.

STAFF ANALYSIS: American Furniture is in the process of obtaining approval to construct a building addition and related improvements at this location. A condition of this approval requires the petitioner to landscape the adjoining Belford Avenue right-of-way to provide a buffer to the residential area to the south and meet landscape requirements for the site.

City Charter gives Council authority to allow private use of public right-of-way, provided such use is substantiated by resolution. The Revocable Permit essentially gives the adjacent landowners a license to use the right-of-way. The City may revoke the permit and require the landowner to restore the right-of-way to its original condition by giving 30 days written notice.

STAFF RECOMMENDATION: Review and adopt proposed resolution
