Jim and Norrie Bishop 1004 Ouray Ave. Grand Junction, Co. 81501

Original Remains

To Whom It May Concern:

The property located at 1004 Ouray Ave. was built in 1918. The site was a raised building site and therefore is approximately two and a half feet (2 1/2') higher from the sidewalk to the top of the lawn. In 1990, Jim and Norrie Bishop purchased the property for their permanent residence. Prior to this purchase the property was used as a rental.

Due to lack of maintanence, the grass was almost dead, and the Bishop's have had a hard time with erosion. By raising the perimeter of the Ouray side and 10th street side of their property to meet the grade of the rest of the lawn, they can level the land out and eliminate the erosional processes happening currently. This elevating of the perimeter is being done by Lock-Tite building blocks which are a mortarless building stone that is held in place by rebar stakes.

The Bishop's are asking to be allowed to run the retaining wall parallel to the Ouray and 10th street sidewalks. This area between the sidewalk and Bishop's property is about two feet (2') in width. The revocable permit is needed to be able to place the building blocks on this portion of the land that is City property.

Thank you,

Jim and Norrie Bishop

REQUEST: Revocable Permit for Landscaping and Retaining Wall

LOCATION: 1004 Ouray Avenue

APPLICANT: Norrice & James Bishop

EXISTING LAND USE: Single Family Residential

SURROUNDING LAND USE: All Single Family Residential

EXECUTIVE SUMMARY: Resolution authorizing the issuance of a Revocable Permit to allow installation of landscaping and a landscape retaining wall within the rights-of-way for Ouray Avenue and 10th Street adjacent to the property located at 1004 Ouray Avenue.

STAFF ANALYSIS: The property owners, Norrice and James Bishop, are in the process of making improvements to the existing residence at 1004 Ouray Avenue. This includes extensive site work to level and provide new landscaping in the front and side yards adjacent and within the Ouray Avenue and 10th Street rights-of-way. These improvements are not unlike others made to properties in the downtown residential area and will be an enhancement to the property and to the neighborhood.

City Charter gives Council authority to allow private use of public right-of-way, provided such use is substantiated by resolution. The Revocable Permit essentially gives the adjacent landowners a license to use the right-of-way. The City may revoke the permit and require the landowner to restore the right-of-way to its original condition by giving 30 days written notice.

STAFF RECOMMENDATION: Review and adopt proposed resolution

Dear Mr. and Mrs. Bishop,

Enclosed please find two copies of the approved revocable permit for the retaining wall and landscaping at your home on Ouray Avenue. Please sign and have notarized both copies (2 places to sign on each copy). Return 1 copy to me along with a check in the amount of \$20.00 made payable to the Mesa County Clerk and Recorder to cover the recording fees for the entire document (\$5 per page). You may retain the second copy for your records. Please feel free to call me if you have further questions regarding the revocable permit process.

Sincerely,

Kristen Ashbeck
