FILE #184-94

TITLE HEADING: Vacation of Drainage Rightof-way

LOCATION: Sunshine Lane & 27 1/2 Road

**PETITIONER:** Jimmy Bonnell

PETITIONER'S ADDRESS/TELEPHONE:

2762 Sunshine Lane Grand Junction, CO 81503 242-0268

**STAFF REPRESENTATIVE:** Kristen Ashbeck

NOTE: THE PETITIONER IS REQUIRED TO SUBMIT FOUR (4) COPIES OF WRITTEN RESPONSE, AND REVISED DRAWINGS, ADDRESSING ALL REVIEW COMMENTS ON OR BEFORE 5:00 P.M., NOVEMBER 28, 1994.

CITY UTILITY ENGINEER Bill Cheney	11/7/94 244-1590	
No comment.		
GRAND JUNCTION FIRE DEPARTMENT Hank Masterson	11/8/94 244-1414	

The Fire Department has no problems with this request.

PUBLIC SERVICE COMPANY	11/7/94
Dale Clawson	244-2695

GAS: No objections.

ELECTRIC: Require the 10' utility easement across the northerly boundary of Cox Subdivision and the 20' utility easement across the northerly boundary of Towns Subdivision be retained. Any structures encroaching upon these easements should be relocated.

MESA COUNTY PLANNING	11/3/94
Joseph Beilman	244-1689

From the drawing submitted it appears that right-of-way should be retained for 27 1/2 Road. If this request is granted what will happen to drainway. It will have to be maintained until some day some how an alternative drain is created. Orchard Mesa Irrigation should definitely be consulted.

### FILE #184-94 / REVIEW COMMENTS / page 2 of 2

CITY DEVELOPMENT ENGINEER	11/15/94
Jody Kliska	244-1591

Should be retained as a pedestrian way to the future park site.

COMMUNITY DEVELOPMENT DEPARTMENT	11/16/94
Kristen Ashbeck	244-1437

Right-of-way should be retained as there is a possibility it could become part of a pedestrian trail network accessing a park that is currently being designed 1/2 mile to the east.

ORCHARD MESA IRRIGATION DISTRICT	11/14/94
James D. Rooks	464-7885

When this proposal was presented to Orchard Mesa Irrigation District we were told the property owners wanted to vacate an alley right-of-way. If this request is for the vacation of the drain ditch right-of-way or maintenance easement, then Orchard Mesa Irrigation District is opposed to the request. OMID needs a maintenance easement along the drains of twenty-five (25) feet from the edge of the ditch. See attached letter written for Jim Bonnell.

Ref. No. TCICON.050

Dear Kristen;

We are in receipt of the proposal for Vacation of Drain Ditch R.O.W. - Sunshine Lane & 27 1/2 Road.

TCI has no problem with the vacation of the drain ditch R.O.W. provided that the existing utility easement through the same area is maintained. We have existing cable TV service within this easement and need to have access to same.

Should you have any other questions or concerns please feel free to contact me at any time. If I am out of the office when you call please leave your name and phone number with our office and I will get back in contact with you as soon as I can.

Thank you for your consideration in this matter.

Sincerely,

Glen Vancil, Construction Supervisor 245-8777 November 21, 1994

To Whom It May Concern:

In response to File #184-94 the following commments will be addressed to :

Public Service Company Dale Clawson

No objections to proposal.

NOV 3 1 1994

Mesa County Planning Joseph Beilman

The drain right-a-way should stay.

City Development Engineer and Community Development Depart., Jody Kliska Kristen Ashbeck

In response to the proposal of a pedestrian trail. This trail is out of the question. Our neighborhood already has a problem with vandelism and I feel that the added traffic will only enlarge the problem. To the east and west of our home there a ditch that is privately owned. Passers By ( the majority being children or teens) throw rocks at the dogs in our back yards. We also have the problem of property being damaged by rock throwers, such as windows broken, irrigation pumps damaged and vandalized, etc.. The young people hang around the trees in this area and motorcycles are going up and sown the ditch at all hours. They show absolutely no respect for our property. The weeds and trees have not been maintained in this area therefore we are looking at a fire hazard, etc.. The residents get their irrigation water out of this ditch. We should have the final say as to what is allowed to be done with this area.

Jame Sincerely,

Jimmy Bonnell

**REQUEST:** Right-of-Way Vacation

LOCATION: Drainage Right-of-Way Between 27-1/2 Road and Mountain View Street

APPLICANT: Jimmy Bonnell

STAFF: Kristen Ashbeck

EXISTING LAND USE: Drainage Ditch with Adjacent Access Drive

PROPOSED LAND USE: Private Property with Utility and Drainage Easements as Requested

SURROUNDING LAND USE: All Single Family Residential

#### SURROUNDING ZONING:

All Residential Single Family 8 units per acre (RSF-8)

the right-of-way due to its historic use for public purposes.

STAFF ANALYSIS: The subdivision plats for both the Cox and Towns subdivisions on Orchard Mesa indicated a drainage right-of-way on the northern edge of the property. The dedication statements on the plat did not specify to whom the right-of-way was to be dedicated. The Orchard Mesa Irrigation District does not claim the property nor does any other utility or public or private entity. Consequently, through this process, the City of Grand Junction is claiming ownership of

Contrary to the review agency comments originally received, Orchard Mesa Irrigation and Drainage District has indicated that it is not opposed to the vacation provided appropriate easement for the ditch and access is retained. Parks and Recreation staff does not feel that this portion of the drainage ditch would provide a viable linkage to a pedestrian trail network on Orchard Mesa. The easements requested by Public Service Company will remain intact.

STAFF RECOMMENDATION: Approval subject to reservation of the entire right-of-way as a utility and drainage easement and final approval by the Utility Coordinating Committee.

SUGGESTED PLANNING COMMISSION MOTION: Mr. Chairman, on item 184-94, I recommend that we forward the item to City Council with the recommendation of approval subject to reservation of the entire right-of-way as a utility and drainage easement and final approval by the Utility Coordinating Committee.

CITY OF GRAND JUNCTION FILE **#184-94, VACATION OF DRAINAGE RIGHT-OF-WAY** LOCATED AT SUNSHINE LANE AT 27 1/2 ROAD IN THE CITY OF GRAND JUNCTION HAS BEEN REVIEWED AND APPROVED BY THE UTILITY COORDINATING COMMITTEE.

12/14/94 *Glauson* CHAIRMAN DATE

L. 28, 1994

IN REGARD TO THE APPLICATION FOR CHANGE OF LAND USE ON ORCHARD MESA AT SUNSHINE LANE AND 271/2 ROAD TO ELIMINATE FOOT TRAFFIC ALONG THE DRAIN DITCH; I ASK THAT IT BE DENIED.

h

My WIFE AND I OWN 273 ACRES JOINING THE DRAIN DITCH ON THE NORTH SIDE. I HAVE NO WAY OF FENCING MY PROPERTY WITHOUT BLOCKING ACCESS TO BEDWOOD COURT. IF THE AREA ON THE SOUTH SIDE OF THE DRAIN DITCH IS CLOSED TO FOOT TRAFFIC, THEN EVERYONE USING THAT ACCESS WILL BE TRESPASSING ON OUR PROPERTY.

THERE SEEMS TO DE A NEED FOR PASSAGE FROM LITUS AREA TO THE SUBDIVISIONS EAST OF THERE, ES PECIALLY STUDENTS FROM THE ELEMENTARY AND MIDDLE SCHOOLS ON UNAWEED ADENNE. UNLESS YOU CAN FIND A WAY TO ELIMINATE THE FOOT TRAFFIC IN THIS AREA, I ONCE AGAIN REQUEST THAT THE PETITION FOR THE CHANGE IN LAND USE ALONG THE DRAIN DITCH BE DENIED.

To Whom It May Concern:

This letter is to inform you that Orchard Mesa Irrigation District is not opposed to the alley vacation request in the vicinity of Sunshine Lane and 27 1/2 Road. If the alley right-of-way is vacated OMID will require a 20' (from the edge of the drain) maintenance easement. Orchard Mesa Irrigation District also recommends that the vacated alley right-of-way revert back to the adjoining property owners.

If you have any questions, give me a call.

Sincerely, James D. Rooks

James D. Rooks District Manager POSTING OF PUBLIC NOTICE SIGNS

The posting of the Public Notice Sign is to make the public aware of development proposals. The requirement and procedure for public notice sign posting are required by the City of Grand Junction Zoning and Development Code.

To expedite the posting of public notice signs the following procedure list has been prepared to help the petitioner in posting the required signs on their properties.

- 1. All petitioners/representatives will receive a copy of the Development Review Schedule for the month advising them of the date by which the sign needs to be posted. IF THE SIGN HAS NOT BEEN PICKED UP AND POSTED BY THE REQUIRED DATE, THE PROJECT WILL NOT BE SCHEDULED FOR THE PUBLIC HEARING.
- 2. A deposit of \$50.00 per sign is required at the time the sign is picked up.
- 3. You must call for utility locates before posting the sign. Mark the location where you wish to place the sign and call 1-800-922-1987. You must allow two (2) full working days after the call is placed for the locates to be performed.
- 4. Sign(s) shall be posted in a location, position and direction so that:
  - a. It is accessible and readable, and
  - b. It may be easily seen by passing motorists and pedestrians.

#### STAFF REVIEW

FILE: 184-94

DATE: December 15, 1994

**REQUEST:** Right-of-Way Vacation

LOCATION: Drainage Right-of-Way Between 27-1/2 Road and Mountain View Street

APPLICANT: Jimmy Bonnell

STAFF: Kristen Ashbeck

Gen) City Growing Bonnell

EXISTING LAND USE: Drainage Ditch with Adjacent Access Drive

PROPOSED LAND USE: Private Property with Utility and Drainage Easements as Requested

SURROUNDING LAND USE: All Single Family Residential

#### SURROUNDING ZONING:

All Residential Single Family 8 units per acre (RSF-8)

STAFF ANALYSIS: The subdivision plats for both the Cox and Towns subdivisions on Orchard Mesa indicated a drainage right-of-way on the northern edge of the property. The dedication statements on the plat did not specify to whom the right-of-way was to be dedicated. The Orchard Mesa Irrigation District does not claim the property nor does any other utility or public or private entity. Consequently, through this process, the City of Grand Junction is claiming ownership of the right-of-way due to its historic use for public purposes.

Contrary to the review agency comments originally received, Orchard Mesa Irrigation and Drainage District has indicated that it is not opposed to the vacation provided appropriate easement for the ditch and access is retained. Parks and Recreation staff does not feel that this portion of the drainage ditch would provide a viable linkage to a pedestrian trail network on Orchard Mesa. The easements requested by Public Service Company will remain intact.

PLANNING COMMISSION RECOMMENDATION: Approval subject to reservation of the entire right-of-way as a utility and drainage easement and final approval by the Utility Coordinating Committee (12/6/94 - 6-0).
