RE: TUP-95-3.19

Dear Mr. Nottingham:

Your request for a Temporary Use Permit for a produce stand at 2424 Highway 6 & 50 has been reviewed by the Community Development Department. Your proposal as presented does not meet the criteria for a Temporary Use Permit but can fit the category of a Farmers Market which requires a Special Use Permit, so we have processed your application as a Farmers Market.

The Special Use Permit for a Farmers Market at 2424 Highway 6 & 50 is approved with the following conditions:

- 1. The Farmer's Market will operate from August 1, 1995 through December 15, 1995 from 9:00 A.M. to 7: P.M. (In subsequent years the dates of operation cannot exceed 5 months.)
- 2. The temporary tent shall not exceed 1200 square feet and the attached gazebo shall not exceed 144 square feet.
- 3. Signage exceeding 32 square feet will require a sign permit to be obtained by a licensed sign contractor and must meet all requirements of the Zoning and Development Code. Banners and other wind driven signs will require a Special Events Permit and must meet the requirements of the Code.
- 4. All Fire and Building Code requirements must be complied with, including, but not limited to the requirement for one 2A-10BC 5 lb. fire extinguisher.
- 5. The site shall be kept weed and trash free.
- 6. All structures and signs shall be removed from the property within 10 days of the last day of business.

The Police Department also recommends that all removable items be secured at the end of each business day to keep it from being stolen.
