RE: Forklift 4000 LB IFB-4639-19-SH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

Answer: Verbiage is hereby altered to read: "Reinforced Overhead visibility guard, indicate size _____"
"

For clarification, use the attached REVISED Specification/Compliance Form and Bid Form.

The original solicitation for the project referenced above is amended as noted.
